Pine street family practice williamstown

The upcoming October podcast discussion will focus on diabetes management, a condition affecting over 30 million Americans. Fortunately, various prevention and treatment methods are available. Anxiety is prevalent among US adults, with approximately 40 million affected; however, only about one-third seek professional help. Additionally, the CoolSculpting procedure offers an innovative solution for contouring the body without surgery or extensive downtime. With over 6 million treatments performed worldwide, many people have achieved noticeable results. CoolSculpting targets and eliminates unwanted fat cells, providing a nonsurgical alternative to traditional methods. Patients often report significant transformations, which can be seen in before-and-after photos. To better understand CoolSculpting, some providers share their experiences through videos and reviews. Many patients express their satisfaction with the treatment, which has garnered numerous awards and media recognition. The office is now offering COVID-19 booster shots and will start accepting 2025 flu vaccine appointments in September. It also recently announced changes to its staff: Carol Tomasello retired as Practice Manager after 35 years and will remain at the office as Chief Financial Officer on a limited schedule. Kelly Sauter, who joined the office in 2007, has taken over as full-time Practice Manager, effective immediately. Our office is now offering COVID-19 booster shots. You can contact us for more information. We are also excited to announce that our 2025 flu vaccine dates will be available in September. Additionally, we would like to inform our patients that Carol Tomasello has retired from her position as Practice Manager after 35 years of dedicated service. She started with Pine Street Family Practice in 1989 and transitioned to Chief Financial Officer with a limited schedule. We welcome Kelly Sauter, who has been with us since 2007 and is now taking on the role of full-time Practice Manager. Please reach out to Kelly for any future inquiries or concerns. Congratulations to Carol and Kelly on their new roles! All patient forms are available on our website for download and printing at home. You can find our latest news below, including events, new services, and more! We are also proud to announce the Paul A Van Houten DO Memorial Scholarship recipients. Finally, mark your calendars for the 18th Annual Paul A. Van Houten, DO Memorial Scholarship Fund Golf Outing on September 11. Thanks to Viking Cycle for backing our upcoming Motorcycle Poker Run, with a new date coming soon! The Paul A. Van Houten Memorial Scholarship Committee expresses gratitude towards all sponsors, volunteers, and golfers who made our latest charity golf outing a success. Mark your calendars for September 19th, as we prepare for the next scholarship event. Freshen up your look and schedule a free consultation with Pine Street Family Practice to learn about their new EMSCULPT service. With three \$50,000 scholarships now endowed, we're ready to continue raising funds for our cause. Save the date: September 21st at Town and Country Golf Links - show your support! Don't miss out on flu vaccines; just give us a call to arrange an appointment. No copays apply! GET YOUR FLU VACCINE NOW A huge thank you to everyone involved in the Paul A. Van Houten Memorial Scholarship Fund's 16th annual golf outing, which helped endow three \$50,000 scholarships. We're grateful for your community's support. In related news, our LuLaRoe fundraiser was also a success, thanks in part to the company's generous matched donation. Join us on September 23rd at Town and Country Golf Links for the 15th Annual Gold Outing - it'll be a fun day of golfing and giving back to our scholarship fund. This event is designed to honor Dr. VanHouten's legacy, which has supported medical students for over four decades. Please contact us for details and registration. Our 2017 scholarship recipients were Jocelyn Wardlaw (\$5000), Madison Foley (\$2500), and Nicholas Benton (\$2500). We also want to thank everyone involved in last year's charity golf outing, which benefited Williamstown High School seniors Vincent DeMatteo and Marina Fortuna, as well as Rowan School of Osteopathic Medicine student Gannat Shalan. If you're suffering from allergies, consider our In-House Allergy Testing and Immunotherapy services - please complete the questionnaire under Patient Forms to see if this is right for you. The Paul A. VanHouten Memorial Scholarship Fund will be held on September 24, 2016, at a golf event that aims to support students pursuing medical careers. The scholarship honors Dr. VanHouten's dedication to the medical field over the past 40 years. Participants are encouraged to register and donate to the cause. Recipients of the Paul A. VanHouten Memorial Scholarship include Williamstown High School Seniors, who can contact their Guidance Counselor for details on how to apply. Past recipients have received \$5000 or \$2500 scholarships. Pine Street Family Practice is a medical clinic located in Williamstown, New Jersey. They provide primary care services for patients of all ages and are affiliated with the Pine Street Family Practice provider organization. Our Legacy of Care Pine Street Family Practice, established in 1964 by Paul A. Van Houten DO, has a rich history of providing compassionate and personalized medical care to our community. We pride ourselves on treating each patient as if they are family members, with a focus on preventive medicine and holistic approach. Our providers, all Board Certified Osteopathic Family Medicine physicians, work closely with our Advanced Nurse Practitioner to deliver expert care. A medical professional with a background in biology from Villanova University, graduating in 1992, and later earning a degree from the University of Medicine and Dentistry School of Osteopathic Medicine in 1996. They completed their internship in 1997 and residency by 1999, holding the position of Assistant Chief from 1998 to 1999. Another professional joined Pine Street Family Practice in 1998 after completing their education. A nurse practitioner holds an associate degree in science from Camden County College, acquired in 2009, a bachelor's degree in nursing from Drexel University in 2011, and a master's degree as a family nurse practitioner from St. Joseph's College of Maine in 2016, joining the practice in 2017.
