Yes i know jesus for myself lyrics

Last week, my wife Catherine recorded me playing the piano at home with our digital camera's video feature. We recently posted these clips on YouTube, and you can check out one of them below - it's a gospel song called "Yes, I Know Jesus". This simple tune just expresses two main ideas: that we personally know Jesus and all He has done for us. It would be great to hear a whole choir singing along (if you search around, there are some nice renditions on YouTube). Since we don't have a choir here, let me share the lyrics with you: "Yes, I know Jesus, Yes, I know Jesus, Yes, I know Jesus for myself. He woke me up this morning, Started me on my way, He guides me on my journey, Keeps me day by day, Yes, I know Jesus, Yes, I know Jesus, Yes, I know Jesus for myself." The point of these lyrics is that you should get to know Jesus just like we do. As the old saying goes, "You gotta know the Lord for yourself!" Why? It's not just because He's good (and He is), but also because we need Him - God is holy and we're not. We've rebelled against God and are sinners, deserving His punishment. But amazingly, God gave His Son to be our Savior if we trust in Him. As the Bible says: "For our sake he made him to be sin who knew no sin, so that in him we might become the righteousness of God" (2 Corinthians 5:21). I know Jesus because He's my Savior and Lord, thanks to His grace. Do you know Him? Will you trust Him? Want more insights about this song? Sign up for our newsletter!
